

Italian Cream Soda

1
Add 8 pumps (2 ounces) of flavoured syrup to a 20 oz clear cup

2
Add the amount of ice as shown in the above photo (less than 1/4 cup)

3
Empty one full can of Club Soda into the cup

4
Add 2 ounces of half and half coffee cream

5
Place a lid on the cup and serve with a straw

- Ingredients must be combined in this specific order to prevent over-foaming
- There is only one size available
- It is normal for the cream to begin separating. Frequent stirring is necessary.
- Although 4 flavours are featured, customers may order any flavour they desire
