

# **COVID-19 Safety Plan**

**Cheesecake + Organic Coffee** 

We developed this COVID-19 Safety Plan to help you create and maintain a safe environment for our staff and customers.

May 8th, 2020

**Business name:** Trees Cheesecake + Organic Coffee

Plan completed by: Rodrigo de Souza (Marketing & Social Media Coordinator)

\*All requirements and actions listed below are MANDATORY to all Trees Cheesecake + Organic Coffee locations and Head Quarters. Specific instructions for Store or Office department are also described below, and when not specified, applies to all.

REQUIREMENTS	ACTIONS
Wellbeing of staff and customers	
Exclude staff and customers who are unwell from the premises.	Staff have been advised the following: - Stay home if you are sick and don't expose others. Advise your direct manager immediately. Get tested if you have COVID-19 related symptoms.
Provide staff with information and training on COVID-19, including when to get tested, physical distancing and cleaning.	Staff have been provided with tailored information regarding COVID-19 including newly implemented practices and procedures, expectations, conditions of workplace and safety measures.
Make staff aware of their leave entitlements if they are sick or required to self-isolate.	Staff are aware of their leave entitlements whether full time, part time and casual employees. Staff have contact information updated or were advised to update it, should anyone need to contact them.
Display conditions of entry (website, social media, venue entry).	Conditions of entry for guests are available on our website, and have been promoted across our social media channels, as well as at stores.
Health checks prior to a shift start.	A health check will be held privately by the Manager or Supervisor on duty, or an assigned member of the team. In the last case, please list all names here:
Physical Distancing	
STORE - Seating area must not exceed 50% of the capacity; groups of 4 persons maximum is allowed. Maintainence and line-up distancing management.	Store capacity varies and staff were advised on how to proceed when the maximum capacity was reached. Line-ups that cannot maintain 2 meters apart, customers will be asked to wait outside.
STORE - Reduce contact and waiting time between customers.	Staff have been advised: - Be aware of time spent helping a customer, we must minimise interactions to a manageable and safe degree Increase distance when helping customers, try not to go to the table.

REQUIREMENTS	ACTIONS
Physical Distancing	
STORE - Where reasonably practical, stagger start times and breaks for staff members.	As a small team will be on shift, staff have been advised that breaks will be taken at places where social distancing can be observed.
STORE - Physical barriers such as plexiglass around counters with high volume interactions with customers.	Plexiglass was installed in front of the cashier in each of our stores.
STORE - Move or remove tables and seating to support 2 metres of physical distance.	Our entire floor plan has been adjusted to accommodate a physical distance between each table. Moving tables around IS NOT PERMITTED.
OFFICE (HQ) - Move or remove tables and seating to support 2 metres of physical distance.	The layout of Trees HQ was changed. Tables and/or workstations were rearranged or relocated to another space to support physical distancing.
Hygiene and cleaning	
Ensure bathrooms are well stocked with hand soap and paper towels.	Additional orders have been placed and stocks are at a desirable level. The bathroom must be well stocked and clean. PPEs will be provided. Use disinfectant always as possible on the door handles and sink.
Adopt good hand hygiene practices.	Staff have been advised: - Practice good hand hygiene. Wash your hands often with soap and water for at least 20 seconds, especially after handling dishes, cups, cutlery or any other common surface.
STORE - Clean cutlery and tableware with a commercial grade dishwasher.	Already implemented as estabilished on food safety protocols and will continue.
Clean frequently used areas with detergent or disinfectant. Clean frequently touched areas and surfaces several times per day.	Staff and guests have been advised: - Surfaces will be cleaned frequently. Always disinfect the seating area after a customer leaves. Door handles, highly touched areas should be kept disinfected. Debit/Credit machine always after being used.  OFFICE - staff will be responsible for cleaning their own space daily, and/or everytime they feel necessary.
Maintain disinfectant solutions at an appropriate strength and used in accordance with the manufacturers' instructions.	We have installed Auto Dilution Managment Systems or ready to use chemicals in all of our locations in accordance to the food safety protocols. Managers should always keep stocked and ensure its proper use. Hygiene materials that are "ready to use" SHOULD NEVER be diluted. e.g. Peroxide, hand soap, floor cleaner.
Encourage contactless payment options.	Staff have been advised: - Contactless payment must be encouraged although we are still accepting cash. If you are not comfortable to accept cash, please ask your manager for gloves or for someone to handle the situation for you.

REQUIREMENTS	ACTIONS
Extras	
Make your staff aware of the Canada COVID Alert app and its benefits to support contact tracing if required	Downloading the Canada COVID Alert app has been recommended to staff with a link provided.
Cooperate with BC Health if contacted in relation to a positive case of COVID-19 at your workplace.	Staff and customers have been advised: if a positive case occurs to contact the restaurant directly so that the appropriate measures can be taken.
Staff should be aware that masks are mandatory	Staff and customers have been advised that masks are now mandatory in all Trees premises, including stores, head office and kitchen.

The following disinfectant should be ordered through Sysco (for franchisees) or from head office (corporate stores). If the supplier is out of stock, another disinfectant with the same strength level must be ordered.

Other PPEs should include, but not limited to gloves, masks and plexiglass protection. Each store is responsible to order and replace any of the following, including plexiglass ordering and installation.

## **REVIEW HISTORY**

DATE	NAME	OBSERVATIONS
May 2020	Peter Chiung	Original document created.
January 2021	Rodrigo Souza	New layout, within the regulation. Add all actions taken to comply with the COVID-19 guidelines, including signage, forms, PPEs, and hygiene materials provided
February 2021	Rodrigo Souza	Recommenations made by Worksafe BC, Mark Phifer (see report filed). Changed wording to make more specific, created office cleaning schedule, indoor signage (physical distancing, hygiene protocols), rearrenged tables and break area space.
